State of Wisconsin

Department of Health and Family Services

January 28, 2008

The Honorable, Legislature:

Wis. Stats. s.46.03(26) requires the Department of Health and Family Services to report annually on information systems projects under development including the implementation schedule, an estimate of costs, and proposed methods of determining charges where applicable.

The Department currently has the following three systems under development: (1) Public Health Information Network – Wisconsin Electronic Disease Surveillance System (WEDSS), (2) the Vital Records Reengineering Project, and (3) the Medicaid Management Information System (MMIS) and related subsystems. The required information is provided in the attached report.

With warm regards,
KEVIN R. HAYDEN
Secretary

Referred to committee on **Health, Human Services, Insurance and Job Creation**.
